

A red rectangular electronic device, possibly a radio or a small transmitter, is shown against a light gray background. The device has a white label in the center with the text "FCC ID: UR6FERRARIRC-27M". On the left side, there are two red knobs or buttons. On the right side, there are two small red lights or indicators. The device has a slightly textured surface and rounded corners.

FCC ID: UR6FERRARIRC-27M
